**Notice of Inventory Completion: Peabody Museum of Natural History, Yale University, New Haven, CT**

**AGENCY:** National Park Service, Interior.

If no additional requestors come forward, transfer of control of the human remains to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

**DATES:** Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to the Peabody Museum of Natural History at the address in this notice by [INSERT DATE 30 DAYS AFTER PUBLICATION IN THE **FEDERAL REGISTER**].

**ADDRESSES:** Professor David Skelly, Director, Yale Peabody Museum of Natural History,  
P. O. Box 208118, New Haven, CT 06520-8118, telephone (203) 432-3752.

**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains under the control of the Peabody Museum of Natural History, Yale University, New Haven, CT. The human remains were removed from a village near Anvik, Yukon-Koyukuk Borough, AK.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

### **Consultation**

A detailed assessment of the human remains was made by the Peabody Museum of Natural History professional staff in consultation with a representative of Anvik Village.

### **History and description of the remains**

In 1937, human remains representing, at minimum, one individual were removed from a village near Anvik, Yukon-Koyukuk Borough, AK, by the Yale Peabody Museum Alaska Expedition. The human remains represent one adult female. No known individuals were identified. No associated funerary objects are present.

Archeological evidence, historic documentation, and tribal knowledge suggest the lower Yukon River region, including the location of the modern site of Anvik Village, was occupied both prehistorically and historically by the Deg Hit'an. The continuity of culture exhibited in the region supports a cultural affiliation between the individual human remains and the Deg Hit'an

who are today represented in this area by Anvik Village.

**Determinations made by the Peabody Museum of Natural History**

Officials of the Peabody Museum of Natural History have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and Anvik Village.

**Additional Requestors and Disposition**

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Professor David Skelly, Director, Yale Peabody Museum of Natural History, P. O. Box 208118, New Haven, CT 06520-8118, telephone (203) 432-3752, by [INSERT DATE 30 DAYS AFTER PUBLICATION IN THE **FEDERAL REGISTER**]. After that date, if no additional requestors have come forward, transfer of control of the human remains to Anvik Village may proceed.

The Peabody Museum of Natural History is responsible for notifying Anvik Village that this notice has been published.

Dated: July 5, 2017.
